

General Academy Information

Monthly Fee:

The commitment for each group is monthly. Payment is due at the start of the month. The monthly fee does not change according to days attended or days in the month. Some months have more days and some less, the fee does not change. I will assume your child will continue each consecutive month, unless I hear from you otherwise.

Illness or missed lessons:

There are no refunds or make ups for lessons missed. I ask you to please let me know when your child will miss a lesson or be late, as early as possible. I will allow kids to make up a lesson if there is space in an equivalent group. Many times I won't know until the groups start, so I can't always guarantee a make up spot. There is space for 16 kids, 4 on a court, and the groups run smoothly and best when at capacity, so I will try my hardest to accommodate all make ups. Extended absences need to be discussed with me, and a mutual solution will be reached.

Closures:

The academy will follow the THPRD closures for bad weather or any other unforeseen natural occurrence. THPRD usually follows the Beaverton School District closures. There will be a make up for days missed because of weather closures. Closures will be communicated via email. If your child can't participate in the scheduled make ups, there will be no refund.

Basic Academy Guidelines:

Please have your child there on time and ready to play.
NO cellphones are allowed by the kids during practice. If a cellphone needs to be used it must be cleared by a coach.
Please be respectful to all THPRD staff and rules.
Players are expected to treat all coaches and fellow players with kindness and respect.
Play hard and put out your best effort everyday! Most of all have fun!!!
